Per reftel, PolOff demarched First Secretary Panayiotis Papadopoulos, Multilateral Affairs, Cypriot MFA, on July 9 about India and Jordan becoming partner nations in the Global Initiative to Combat Nuclear Terrorism (GI). Papadopoulos said that Cyprus welcomes India and Jordan to the GI. Cyprus is glad that more countries are joining the GI, making it larger and more influential. Papadopoulos expressed interest in signing up for the GI Information Portal (GIIP). PolOff will work with Papadopoulos and the GIIP liaison to arrange access for Papadopoulos.
